

# WELCOME KITS

## Meet Tangible Needs of Newly Arriving Refugee Families

Refugees often flee their homes at a moment's notice. They arrive at our airport with few belongings, a difficult past and high hopes for the future. Welcome Kits provide the basic household items they need for their new start in a place of safety.

### BUILD A KIT IN FOUR EASY STEPS

1. Pick a Welcome Kit from the list.

2. Mobilize your small group, family, church or school to collect the items on the list.

*Note: Items may be used, but must be clean and in good condition.*

3. Pack items in a sturdy box.

*Note: Large plastic bins work well and will be reused by refugee families.*

4. Along with your kit, a donation of \$25 helps cover transportation and storage costs.

*Note: You can give online at [worldrelief.org/durham/donate](http://worldrelief.org/durham/donate) or attach your donation in an envelope to the outside of your kit.*
